DELEGATION

July 24, 1975

Dear Mr. Cary:

On June 28th I sent the enclosed cable to you, requesting information re: matters under your jurisdiction involving the Republic of South Africa.

As of cover date, my office has no record of your response -- not even an acknowledgment -- a serious abrogation of the rules of the Administration. I am entitled to an explanation, but more importantly, the appropriate response.

Very truly yours,

Charles C. Daggs, Jr.
